This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#)

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

	<p>Community engagement; Encourage parent participation as role models for healthy living/ lifestyle. Discussion held at Staff Meeting 17/2/22: As a result of the two national lockdowns, staff have noticed a decline in general fitness levels since the pandemic began. PE lessons have focussed mainly on fundamentals through games and sport to get children moving, with a preference for outdoor activities to promote risk reduction and infection control. Dance and Gymnastics have therefore not received the depth of focus they have in previous years. Using Sport Premium Grant for academic year 2021-2022 repairs to existing gymnastic equipment and apparatus have been made to enable this.</p>	
<p>Key indicator 2:</p> <p>£6, 097.94 has been put towards the development of the outdoor spaces to support active learning and encourage physical activity for our most vulnerable children with the purchase of resources that facilitate active play based on EYFS philosophy to enhance opportunities for physical development, particularly balance and coordination.</p> <p>£821.34 has been put towards the resourcing of sensory equipment to support and develop active learning and wellbeing for our most vulnerable children to enable them to engage with and access a full curriculum. Staff will be</p>	<p>Staff to provide targeted curriculum interventions through physical activity</p> <p>Outdoor and active learning strategies were utilised successfully and effectively for Recovery curriculum and a timetable was introduced to maximise impact and included within classroom routine successfully during 2020-2021. Development plan for outdoor spaces established to further continue targeted curriculum interventions through physical activity. As a result adults will have confidence to incorporate physical activity into classroom learning and an increase in the percentage of children engaged in daily physical activity. As a result of the two national lockdowns, staff have noticed a decline in general fitness levels since the pandemic began. Planned outcomes over 2022-2024 of these actions include:</p>	<p><i>Actions 2022-2024; Set up spaces and monitor use, effectiveness of delivery and impact of interventions being delivered.</i></p>

<p>guided by children's individual support plans and attend training for Trick Box as part of their CPD in 2023-2024, alongside disseminated sensory integration and regulation support from JW (PE and OE Coordinator, SENCo/ Inclusion and Senior Mental Health Lead), enabling them to use the ideas for targeted interventions such as sensory circuits.</p>	<ul style="list-style-type: none"> · Engagement of all children in these activities will 'kick-start' healthy active lifestyles and attitudes, increasing self-esteem and raising children's attainment and achievement across the curriculum. · Increased knowledge and confidence gained from these activities will increase children's confidence and self-esteem and enable them to participate in a wider range of physical activities both at school and out of school hours learning. <p>Resources ordered using Sport Premium Grant for academic year 2021-2022 to develop each class' outdoor area; Through a variety of physical resources and challenges children will increase fitness, well-being and positive growth mindset which will impact on other curriculum areas and personal development. Staff, parent and child voices have all been captured to create a plan for these spaces.</p>

<p>Key indicator 4:</p> <p>£1,193.35 has been allocated towards providing targeted activities and support to involve and encourage the least active children through funding attendance of extra curricular sports clubs and activities, broadening the variety offered both at lunch time and after school.</p>	<p>All sports and activities taught in after school clubs to be fully resourced. All individuals have access to sufficient resources to be able to engage fully in sessions. Initial spend ensured that all planned PE sessions have been fully resourced leading to greater active minutes in clubs.</p> <ul style="list-style-type: none"> · Increase in the number of children being physically active and taking part during school and out of school hours. 	<p>SUSTAINABILITY ACTIONS:</p> <p>Equipment audit by PE coordinator linked to club planning carried out and Continued monitoring of resources for wear and tear to ensure all sports offered as after school clubs are adequately covered. Continue to widen the range of resources so a wider variety of sports can be offered with a subsidy put in place and records kept of uptake for subsidised clubs.</p>

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<p>Allocated 10 weeks of release time for the PE Lead to focus on updating Continuous Professional Development (CPD) with Real PE.</p> <p>Updated Real PE subscription, curriculum materials, and resources.</p> <p>Provided cover for the PE Lead to team teach with teachers in EYFS and KS1.</p>	<p>Enhanced the quality and delivery of PE lessons across the school.</p> <p>Increased confidence and competence among teachers in delivering PE lessons, ensuring consistency and high standards.</p> <p>Improved curriculum alignment with the latest PE frameworks and best practices.</p> <p>Improved teaching techniques and strategies through collaborative teaching efforts.</p> <p>Fostered better integration and understanding of PE curriculum among younger students.</p>	<p>The dedicated time allowed for a thorough update and integration of Real PE resources, benefiting both staff and students in terms of PE delivery and engagement.</p> <p>Team teaching has built a stronger foundation for physical education in the early years and key stage 1, promoting lifelong healthy habits.</p>
<p>Allocated time to organise PE resources and equipment.</p> <p>Renewed resources in the play shed and PE cupboard to ensure high-quality and safe equipment for all activities.</p>	<p>Streamlined access to and management of PE resources, leading to more efficient lesson planning and execution.</p> <p>Ensured that all students have access to appropriate and safe equipment, enhancing the overall PE experience.</p>	<p>Well-organised resources have facilitated smoother PE sessions and have reduced time spent on locating and preparing equipment, allowing for more active learning time.</p>

Implemented support from Hamish and Milo to assist with playground health and conflict management during sports activities.	Improved conflict resolution skills among students, leading to a more harmonious and active playground environment. Increased student participation in sports activities with a focus on positive interactions and teamwork.	The presence of Hamish and Milo has significantly reduced playground conflicts and enhanced the overall play experience. Students have developed better social skills and a greater appreciation for cooperative play.
Provided resources for active playtimes, including the installation of an Active Wall.	Encouraged active play during break times, contributing to improved physical fitness and coordination.	The Active Wall has become a popular feature, engaging students in fun and interactive physical activities.
